1. The parents/guardians of the learners at Majika Group of Schools (MGS) are encouraged to take an active interest and active involvement in their children's welfare, and this includes their performance in academic and extra-curricular activities to ensure excellent results for success.
2. Parents are encouraged to know the teacher of child and the class and also develop and maintain regular healthy two-way communication.
3. MGS provides several communication platforms these include formal events like "Consultation day." These enable face to face feedback with parents on the development of the learner. "Consultation Day" must be respected and attended fully.
4. The school also communicates with parents through printed letters that are sent in person through learners
5. The school in addition communicates with parents through other social media platforms like emails, bulk sms, our website, Facebook page, to just list a few.
6. All important information like newsletters and upcoming events are uploaded on our website.
7. Phone calls to teaching staff can only be done during breaks or after lessons.
8. Any class issues should be addressed to the class teacher and if not resolved may be referred to the Head of Department (Teacher in Charge or senior teacher) and further to the Deputy and if not satisfied seek the Head's audience.
9. Fees payment and any other payments should be referred to the bursar/accountant.
10. Proper communication channels should always be followed at all times. MGS will not entertain any communication that does not show respect for the child's positive learning and development. These may include false, negative or misrepresentation of the school, school authorities or any activities at the school on the media or any other platforms or channels apart from the ones given by the school. No matter how serious or bad the situation, communication should be done in a professional, respectful, constructive way from both parties. Failure to abide by this will result in withdrawal or termination of services rendered to the child by the school.

1. All school fees for the term shall be paid in full before the opening of each respective term for smooth running of all operations
2. After payment of fees the parent or guardian will be issued with admission card for the child to use daily for admission at the school gate
3. Parents/Guardians should deposit fees into the correct school bank account and present proof of payment for receipting within a week.
4. Failure to deposit in the correct bank account will attract a 5% penalty.
5. We offer a wide rich curriculum to produce world class global leaders hence Cambridge fees are compulsory.
6. The school's banking details and fees are available directly through our WhatsApp contact or by our reception.
